

Caribbean Selection 2010 / 11

Caribbean Selection

A cruise in one of the most beautiful regions in the world is a great way to escape to the Tropics, and with Fred Olsen's Caribbean Selection there's never been a better time to treat yourself!

Cruises visit up to 10 wonderfully varied ports of call, each linked by the warm and romantic waters of the Caribbean. Fred Olsen cruising offers comprehensive itineraries and the small ship size of their vessels means that you will be able to visit places which larger vessels cannot go.

Other excellent reasons to choose a Fred Olsen Caribbean cruise include:

- Exclusively chartered flights from Manchester, Gatwick and Birmingham or subsidised domestic flights from additional UK departure points.
- Flagship golf on selected cruises, with your golf bag and clubs carried free of charge.
- Bonded luggage on flights to/from Barbados – from UK airport direct to your ship, so there's no need to waste time at baggage reclaim at your arrival airport.
- More relaxed dress code – with three formal, 9 smart-casual and 2 casual nights.
- Special immigration facilities on flights to/from Barbados – you board your transfer coach straight from the aircraft, so you don't even have to enter the terminal building.

If you're celebrating a special occasion onboard why not let us know! Fred Olsen has a selection of celebration packages, which we can add to your cruise to make it more memorable.
